ANNOUNCEMENT

The **23rd Annual Awards and Urban Leadership Fellows Fundraising Dinner** will be held on May 9, 2012, at the New York Marriott Marquis. The event honors industry leaders for their outstanding contributions, while raising funds to support The Municipal Forum's Urban Leadership Fellows (ULF) Program.

This year represents a key milestone for the ULF Program as we celebrate 20 years of providing internships and college scholarships to New York City youth. Over the past two decades, more than 400 high school seniors have participated in the internship program and collectively received nearly \$390,000 in support of their collegiate studies. The ULF Program has **transformed** the lives of these young people as they have gained valuable skills, exposure and financial support in order to help them transition to college and ultimately, the workforce.

In recognition of the ULF Program's 20th Anniversary, welcoming remarks at the Annual Awards Dinner will be made by:

The Honorable Mayor Michael R. Bloomberg

Continuing with our theme, we are pleased to recognize the following Annual Awards Dinner recipients for their **transformational** leadership:

Lynnette Kelly, *Executive Director*, Municipal Securities Rulemaking Board: **Public Service Award**;

Mark Page, *Director*, Office of Management and Budget, The City of New York: **Lifetime Achievement Award**;

Ronald A. Stack, *Managing Director*, Government and Institutional Banking, Wells Fargo Securities: **Austin Koenen Career Achievement Award**.

Please join us in congratulating this distinguished group of leaders who have demonstrated tremendous success in **transforming** their organizations and the entire industry for the better.

We will send a subsequent letter with further details, including sponsorship and table purchase information. We look forward to another successful Annual Awards Dinner acknowledging the accomplishments of our colleagues while raising funds to foster the development of future generations of municipal industry professionals.
